
ShopRite Kosher Products Directory

Dear Valued ShopRite Customer,

We are pleased to make this ShopRite Kosher Products Directory available to you as a public service. In addition to the products listed in our directory, all ShopRite supermarkets carry a wide variety of national brand kosher products.

Please note that some products have more than one kosher symbol listed because ShopRite may use more than one supplier for these items. Kosher symbols may vary due to the fact that all manufacturing sites do not have the same kosher certifications available.

Although, this directory will be revised regularly, product changes may possibly occur between revisions. Please be sure to check the label. If we can be of further assistance, please contact us at 1-800-SHOPRITE.

Thank you for shopping with us.
