

# Wakefern Food Corporation

We have the following internship opportunity in the Dairy/Frozen Division for the summer of 2011.

## Dairy/Frozen Analyst Intern (Keasbey)

## Dairy/Frozen Division

As part of the Dairy/Frozen Foods Division, the Dairy/Frozen Analyst Intern will be responsible for managing selected manufacturer product lines. The responsibility will include product replenishment for both base and promotional volume of the selected product lines, overall service level, and inventory management. This individual will work closely with the category management team and the lead analyst from each department.

The intern will gain exposure to various facets of the Division to include: Committee Meetings, vendor negotiations, and divisional meetings. Additional responsibilities will include analytical projects, segmentation, post-sales analysis, and other special projects as needed. The individual will also gain exposure to both Dairy and Frozen plan-o-grams and merchandising strategies.

The right candidate for this internship is an excellent multi-tasker, highly organized and a self-starter who can keep a schedule and be aggressive with meeting deadlines and following a strict timeline. This internship is a great opportunity for a person with a Business, Food Marketing, or similar field major to gain hands-on experience working with Wakefern's highly successful Dairy/Frozen Division.

### Responsibilities are inclusive of but not limited to:

- Product Replenishment
- Service Level and inventory control of product lines managed
