

CELEBRATING *Christmas*

DRAW A PICTURE IN THE SPACE ABOVE OF A CHRISTMAS TRADITION IN YOUR FAMILY.

CHRISTMAS WORDSEARCH

How to Play: Each player needs a pen or pencil and some paper. Find as many words as you can that have three letters or more and write them down. The letters must be connected either horizontally, vertically, or diagonally. After three minutes, all players put their pens/pencils down.

Scoring: Players take turns reading the words they wrote down. Players receive one point for each three letter word, two points for four letter words, three points for five letter words, etc. Words less than three letters receive no points. The player with the most points wins.

MAKE YOUR OWN ANGEL

Print this template onto a heavy card stock. Cut around the edges of the angel. Cut along dotted lines. Fold gray tab and glue. Cut angel wings and glue on back.

CHRISTMAS Memory GAME

Make your own Christmas memory match game by printing and coloring the cards. For best results, print on card stock. Otherwise, print cards on regular paper then paste to construction paper. Cut on dotted lines to make 20 cards.

Goal: To collect the most pairs of cards.

Setup: Shuffle the cards and lay them on the table, face down

Gameplay: The youngest player goes first. Play then proceeds clockwise. On each turn, a player turns over two cards (one at a time) and keeps them if the images match.

If they successfully match two cards, that player gets to take another turn.

When a player turns over two cards that do not match, those cards are turned face down again and it becomes the next player's turn.

Winning: When all the pairs have been found, the player with the most cards wins.
